SUPPLEMENTAL RESPONSE

February 10, 2005

TO THE COMMISSIONER FOR PATENTS:

This paper is filed as a supplemental response to the communication dated November 2, 2004, from the Examiner in charge of the above-identified application.

Applicant filed a responsive amendment on January 31, 2005, in the above-identified matter. In reviewing that response it was noted that applicant inadvertently failed to respond to the obviousness-type double patenting rejection set forth in the aforementioned Office Action.

Applicant hereby acknowledges the obviousness-type double patenting rejection over applicant's prior patent (U.S. Patent No. 6,796,745). Applicant hereby offers to file an appropriate terminal disclaimer upon indication of allowance of the subject matter in the present application.

If the Examiner has any questions regarding this offer, he is invited to call applicant's attorney at the number listed below.

Respectfully submitted,
